Men's Club *present*

LIFE IN THE UNIVERSE

featuring

MARK FREILICH

Adjunct Professor and Director of Astronomy Adult Education programs at Queens College and Director of Astronomy programs at Alley Pond Environmental Center

- **Is there life in the solar system? If so, where can it be found?**
- **What are exoplanets and can there be an earth 2.0 in our galaxy?**
- **Making contact: The search for extraterrestrial intelligence**
- **How do UFOs and science fiction films change our view of life in the universe?**

*Breakfast will be served ~ \$5 per person
RSVP to the synagogue office by May 2*

SUNDAY, MAY 6, 2018 10:00 AM

167-11 73rd Avenue, Flushing, NY 11366
