June 14, 2018

Dear Congregant,

As ICCJ begins its new fiscal year, it is time to renew your ICCJ membership. Membership dues (due July 1, 2018 for each category of membership, including the membership-approved, mandatory CPI increase, are as follows:

Family Membership	\$612
Single Head-of-Household Membership	\$459
Single Membership	\$306
Non-Resident Membership	\$ 62

Even with the CPI increase, our membership dues are the lowest of all the nearby Conservative congregations. Many of our neighboring congregations charge membership dues of much more than \$1000 per family!

In the current difficult economic times, our low dues make it possible for many in our community to be proud and active members of ICCJ, but there are many in our community who recognize that we, the members, must step up and support our synagogue at a higher level.

We are asking you to voluntarily increase your dues contribution and become Patron Contributors. The suggested Patron contributions are as follows:

	Donor Contributor	Sustaining Contributor	Subscribing Contributor
Family	\$1250 & up	\$1000 - \$1249	\$750 - \$999
Head of Household	\$900 & up	\$750 - \$899	\$500 - \$749
Single	\$625 & up	\$500 - \$624	\$375 - \$499
Non-resident	\$125 & up	\$100 - \$124	\$75 - \$99

An insert explaining voluntary dues to Mercaz USA is also included.

You as a member of ICCJ are helping to guarantee that our synagogue will continue being there for you, your family and the rest of the Jewish community in times of need.

For your convenience, we now accept credit card payments (Mastercard, Visa, Discover and Amex). For your security, we do not keep your credit card information on file.

Thank you for your support and cooperation.

Sincerely,

Alan Aaronson, Treasurer
