After 10 years working with the H2I Youth group, first as a Youth Advisor and as Director for the last 6 years, Daniel has decided to step down. During his tenure, H2I has become a model youth program for chapters across the country and was named METNY Chapter of the Year three times! Daniel has worked with and mentored hundreds of our children and has always ensured that they have a fun and safe environment to hang out and learn about Jewish values during their Sunday night programs. He will surely be missed!
