

Helena Shayer – Office Manager

Helena Shayer is delighted to be joining ICCJ as Office Manager. She comes to us directly from the Nassau Region of Hadassah/Hadassah Nassau where she was the Region Secretary, Administrator and Editor for 13 years.

Helena, a twin, was raised in a traditional, Orthodox, Jewish home in Westcliff-on-Sea, Essex, England. She attended Trent Park College of Education, where she received her Teaching Certification/B.Ed1 in Art, English and Philosophy.

In 1978, two years after her first of four trips, and counting, to Israel, she moved to New York. She is the proud mother of two grown children, Suzanna, an Art Therapist, and Peter, a Project Manager, and is excitedly preparing for Peter's wedding, this coming June, to Leah Casner.

On Sunday mornings, Helena teaches art at the Jewish Experience at Central Synagogue in Rockville Centre. In addition, she performs jazz and standards in cabarets across Long Island and in NY.

Helena thanks Gale Schott for her guidance and wishes her every happiness in her retirement. She looks forward to getting to know all of you. Please stop by at office to say hello.
